A photograph of a weathered blue door with decorative metal grilles. Two children are peeking through the top of the door. The word 'Inspire' is written in a white, cursive font across the lower half of the image, with a horizontal bar of rainbow colors underneath it.

Inspire

STUDY ABROAD OPPORTUNITIES

We hope you will be *intentional, creative, and bold* as you consider the international education experience that best suits your interest.

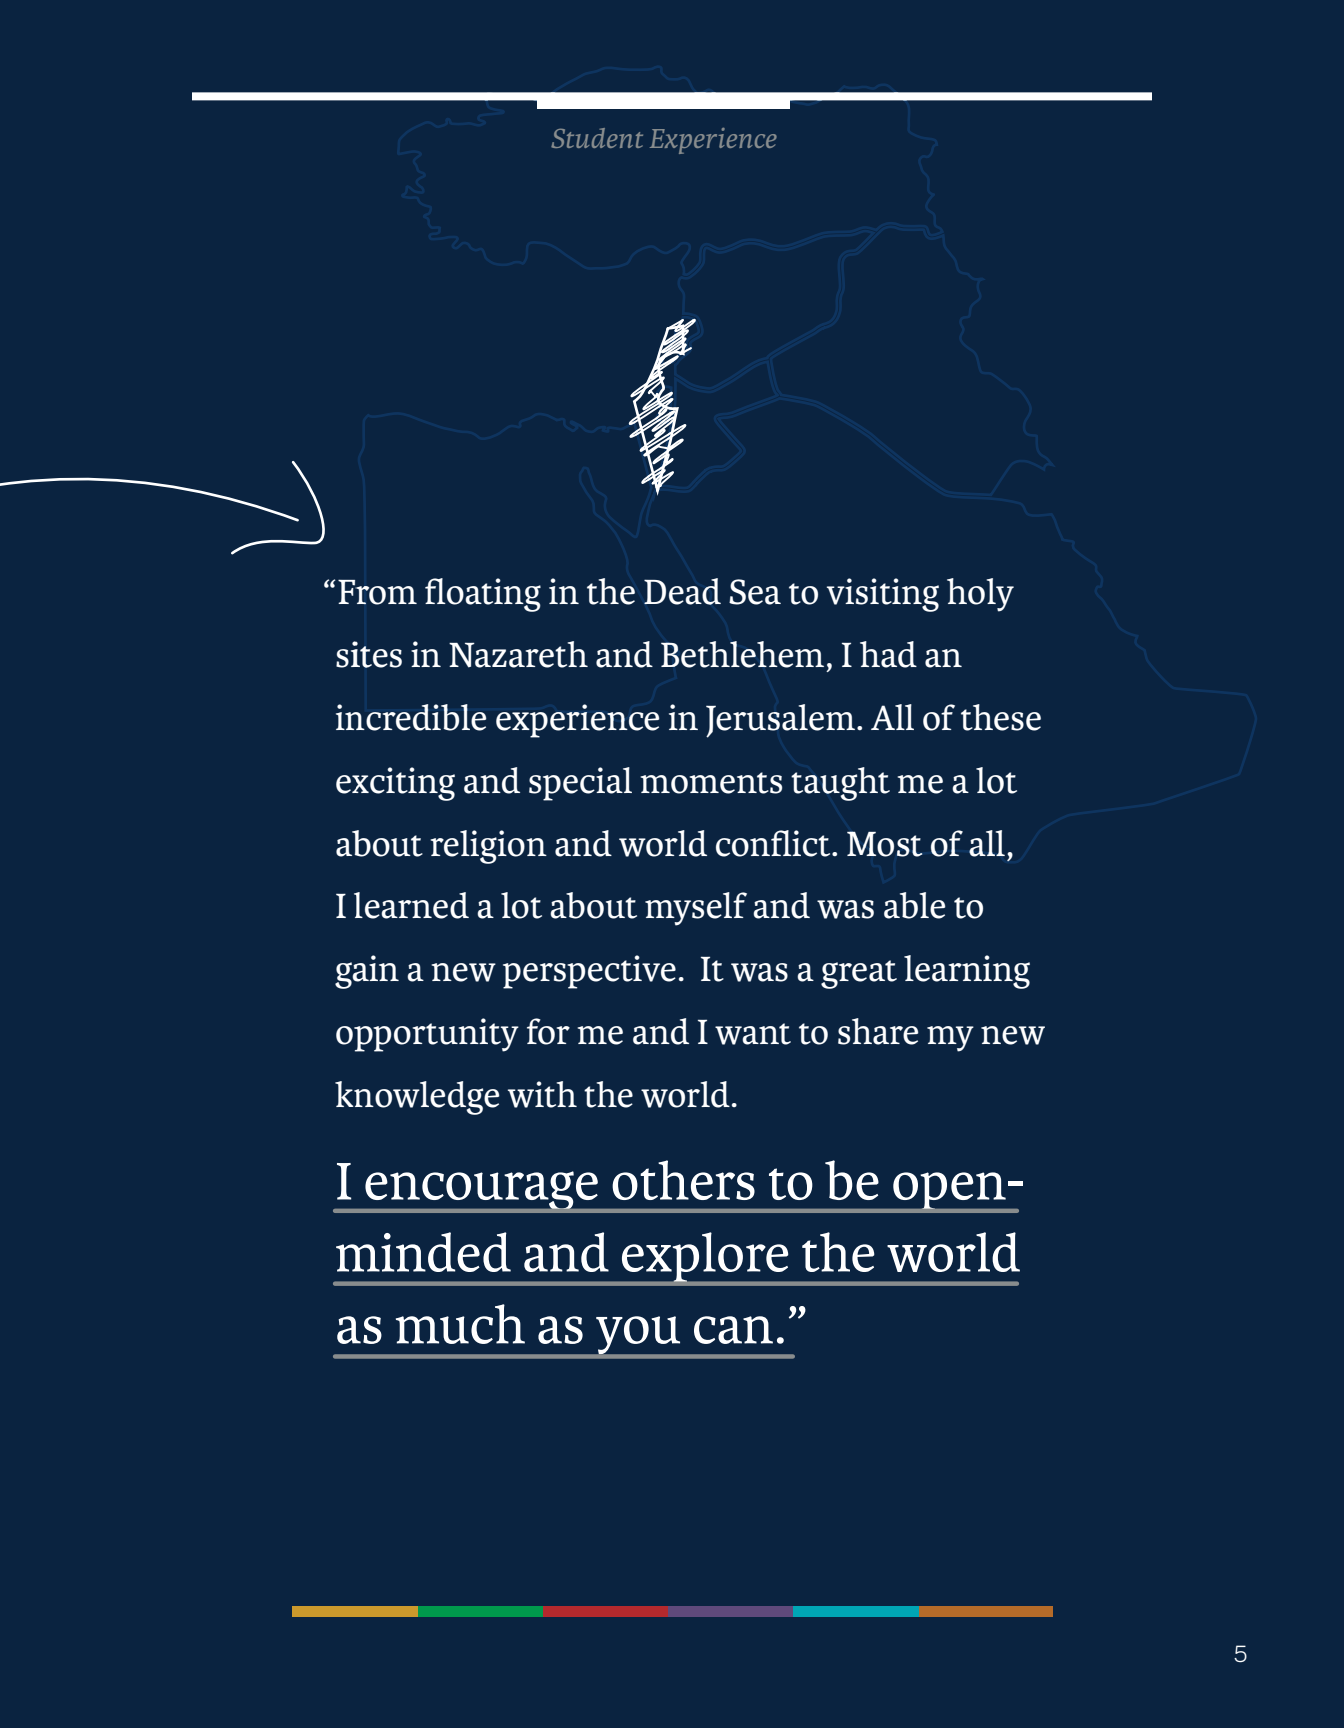

Whatever your major and dreams for the future, serious academic engagement outside your home country is one of the most valuable elements of a world-class undergraduate education.

It's never too early to begin planning. Your study advisers are here to help.

STUDENT *Experience*

Brandon Hardy
Class of 2020

“From floating in the Dead Sea to visiting holy sites in Nazareth and Bethlehem, I had an incredible experience in Jerusalem. All of these exciting and special moments taught me a lot about religion and world conflict. Most of all, I learned a lot about myself and was able to gain a new perspective. It was a great learning opportunity for me and I want to share my new knowledge with the world.

I encourage others to be open-minded and explore the world as much as you can.”

A full-page background image showing a sunset over a grassy field. In the foreground, two students are lying on their stomachs, looking towards the horizon. In the background, a lighthouse sits on a rocky outcrop overlooking the ocean. The sky is a mix of orange, yellow, and blue.

to study abroad programs
around the world.

TAKE YOUR EXPERIENCE

Further

INTERNSHIPS

Internships provide a deeper, immersive experience in your host country's culture. Many study abroad programs include this option at various small and large local organizations.

RESEARCH

Do you want to jump-start your senior thesis or conduct research while abroad? Ask your advisers how you can access local resources, archives, and other research materials in your host country.

SERVICE

Students participate in a wide variety of community engagement opportunities in almost every program location. Service opportunities with local organizations provide a more holistic study abroad experience.

AM I ELIGIBLE?

Academic standing and adherence to community standards are among the factors for eligibility, as is program appropriateness for your academic goals.

HOW MUCH WILL IT COST?

Tuition, room, worldwide health insurance, and living allowance are covered for most semester and full-year programs. Students are responsible for a study abroad fee and round-trip airfare to program locations. Charges vary for summer programs and those taken during vacation periods.

HOW DO I APPLY?

Students apply for semester and full-year programs during the fall semester of the year prior to the term abroad. Applications are entered online and students must plan ahead to give advisers, rectors, and academic referees time to submit their information. The application deadline for semester and academic-year programs is November 1; summer applications are due in February.

WHAT NEXT?

- Find us during Study Abroad Week in September
- Attend information sessions for programs that interest you
- Consult with your academic advisers on college requirements
- Check studyabroad.nd.edu for new programs and updated information
