Processes and Timeline

● Complete the survey by June 26th;
● You do not need to submit new applications;
● If your new program requires additional materials, such as references, study abroad will contact you;
● If new approvals from DUSs and Deans are needed, you need to let them know and study abroad will send you the links for these approval requests;
● New placement decisions will come out on July 3rd;
● You will need to confirm your acceptance of the new placement by July 10th.

Note:
● Please do not select any program you don’t intend to accept in the survey.
● Please feel free to contact program directors with your questions at any time.
Thank you!
