## Stories from Abroad

### Study Abroad in Poland this Summer

Led by Dr. Emilia Justyna Powell a native of Poland, Associate Professor at the Department of Political Science and Concurrent Associate Professor at the Law School at Notre Dame, this 3-week intensive course is designed as a fully immersive cultural, international, and intellectual experience for students. Most class instruction occurs on site, at major sites and museums in Warsaw, Auschwitz/Birkenau, Gdansk, and other surrounding cities. The course will immerse students in the historical and cultural context of Poland, make them reflect on the Holocaust and how it influenced international law, and experience Polish life.

There are still spots left in this program. Apply by February, 28th.

## NDI Staff Overseas

### Meet Catherine Leung

Catherine Leung has served as the director of the [Hong Kong Global Center](#) since 2014. Her role supports admissions, advancement, study abroad, alumni and parents, orientation, global conferences and more. What she enjoys most about her role is that it gives her an opportunity to create new and fun programs for Notre

Dame students and faculty. Building a strong community for Notre Dame in Asia is very rewarding for Catherine.

Hong Kong has a unique culture where East blends with the West, and it is a great city for doing business, shopping, dining, hiking and enjoying water sports. The Hong Kong Global Center provides on the ground support for our study abroad programs, which include university exchanges, faculty-led summer programs, and the Global Professional Experience program.

All over the world, [NDI staff](#) is here to work with you and our partners on-site.
