

Bringing Notre Dame to the world and the world to Notre Dame.

February 04, 2021

Welcome back to campus!

The study abroad team is excited to welcome you back for the spring 2021 semester after what was hopefully an enjoyable and relaxing winter break. This semester, we hope you will continue to connect with us and stay up to date on the latest happenings in study abroad through [Instagram](#), [Facebook](#), [Twitter](#), the [study abroad website](#), [BeyoND Study Abroad](#) podcast, this [newsletter](#), and zoom. We will continue holding virtual office hours and appointments this spring, so don't hesitate to reach out to us! Click [here](#) for more information on program directors and availability.

Gilman Scholarship

The U.S. Department of State's [Benjamin A. Gilman International Scholarship Program](#) enables American students to gain proficiency in diverse languages and cultures, skills that are critically important to their academic and career development. This scholarship offers students of limited financial means funding to study abroad via scholarships of up to \$5,000 in credit bearing abroad programs or up to \$8,000 for students studying a Critical Language. The program has been successful in supporting students who have been historically underrepresented in education abroad, including but not limited to first-generation college students, students in STEM (science, technology, engineering, and mathematics) fields, ethnic minority students, and students with disabilities.

This upcoming cycle encompasses Summer 2021, Fall 2021, Academic Year 2021-2022, and Spring 2022 programs. The application deadline is **Tuesday, March 2, 2021** at 11:59pm Pacific Time. [Elise Rudt](#) with the [Flatley Center for Undergraduate Scholarly Engagement](#) will work with you to develop your application.

BEYOND STUDY ABROAD PODCAST

[BeyoND Study Abroad](#), our Study Abroad Podcast, is back for the second part of its first season with our host, Sofia Perez. This semester we will feature additional episodes in our series on "Identity Abroad" and continue to hear from ND alumni about the way in which their study abroad experiences have had a lasting impact on their lives post-graduation. In addition, we'll also be exploring new stories and themes such as our new, college-specific episodes. Stay tuned for our first episode of the new year on Friday, February 5th!

Subscribe now through [iTunes](#) or [Spotify](#) and follow us on Instagram [@ndinternational](#) to never miss the release of a new episode.

NDI is pleased to partner with [International SOS \(ISOS\)](#), the world's leading international medical and travel security assistance company. This new resource will help connect our study abroad students with essential information and services. ISOS works with Notre Dame's insurance partners, like GeoBlue, to coordinate referrals, payment and assistance for covered events behind the scenes for a seamless experience.

For more information and for a list of services available through ISOS, please visit our [website](#). NDI Travel and Safety manages Notre Dame's International SOS membership. For questions, please contact travelregistry@nd.edu.

Last call to apply for [Summer 2021 study abroad](#)! Applications are still open for three summer programs: Santiago, Beijing and London. Check out our program in [Santiago, Chile](#) where you can spend 6 weeks immersing yourself in the language and culture of Chile while studying many of the social and political forces that have shaped (and continue to shape) the country. Or, enroll in our new 5 week program in [Beijing, China](#). In this program you will be introduced to the history of China using popular media while simultaneously learning about Chinese foreign policy at the local, central, and international level. The [London Summer Program \(LSP\)](#) offers an exciting opportunity for students in all fields of study to live and learn in one of the most international cities in the world.

Submit your application by 11:59pm (EST) on February 14 to be considered.
