STUDENT Experience

"The entire Rome Undergraduate Program gave me the opportunity to enhance my education, professional skill set, and cultural enrichment. I knew for my education, I would be able to master the Italian language, both in the classroom and in daily life."

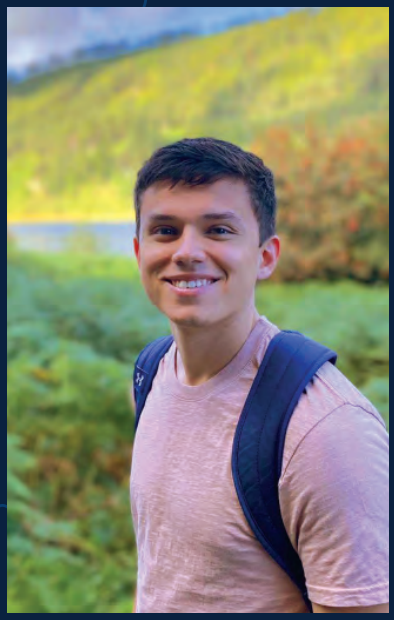
"I am double major in business analytics and music performance with a minor in business tech and an International Business certificate. Miraculously, Ireland checked all the boxes that would allow me to graduate on time with those aspirations, making it an incredibly accommodating and exciting opportunity."

Sean Ford
Class of 2023
Dublin Semester Program



"It's scary at first, but you have to do it if you want to learn another language and immerse yourself. Everyone can gain great insight to themselves after living in another culture."

Ameena Jovonovich
Class of 2023
Amman Semester Program

"I knew I had to travel and experience life changing moments in order to grow. I strongly feel that living in Puebla, Mexico has already aided in my personal growth and career goals of wanting to be a bilingual physical therapist and being a mental health advocate for minorities."

RESEARCH

Jump-start your senior thesis or conduct research while abroad. Ask your program directors how you can access local resources, archives, and other research materials in your host country.

SERVICE

Participate in a wide variety of community engagement opportunities in almost every program location. Service opportunities with local organizations provide a more holistic study abroad experience.

AM I ELIGIBLE?

Academic standing and adherence to community standards are among the factors for eligibility, as is program appropriateness for your academic goals.

HOW MUCH WILL IT COST?

Tuition, room & board, and worldwide health insurance are covered for semester and full-year programs. Students are responsible for a study abroad fee, round-trip airfare to program locations, and any personal expenses. Charges vary for summer programs and those taken during vacation periods. Financial aid and scholarships are available for study abroad.

HOW DO I APPLY?

Students apply for all study abroad programs during the fall semester of the year prior to the term abroad. Applications are submitted online and students must plan ahead to give advisers, rectors, and academic referees time to submit their information.
