### **New Program Highlight!**

In this 4-week, 3-credit faculty-led study abroad program, students will be immersed in central Europe's rich artistic, musical, and cultural capital. Called both the "City of Music" and "City of Dreams," Vienna has been an important economic, cultural, and political center for centuries and home to famous composers such as Mozart, Beethoven, and Strauss, as well as numerous influential painters, architects, musicians, and writers. Utilizing the city for its blend of historic majesty and contemporary vibrance, this program will provide the opportunity to learn about the Economics of Art, Music, and culture in an inspiring and unique setting.
